Dear Teacher/s,

The above student is a participant on a club volleyball team in the South Valley Volleyball Association and is required to have this Grade Check Eligibility Form completed by the 15th of every month. Our organization recognizes the value of education and therefore differentiates between extra-curricular and education. We demand that each player remains current and in good standings with their class work. Each player must maintain eligibility by earning no less than a 2.3 G.P.A., or equivalent, and receive no more than one "U", or equivalent, on this form in order to continue to participate in the South Valley Volleyball Association Club Teams. (Feel free to attach or include your grading scale if it is non-traditional.)

We understand that this Grade Check Eligibility Form may require additional resources and time on your part but we believe it is a great opportunity to teach these young individuals about priorities, discipline commitments and responsibility.

We thank you in advance and know that if you have any questions regarding this matter please feel free to contact us directly through the information provided below.
